

6 Bay De-mountable Toilet Pod

These units have 6 individual cubicles, with 3 doors down each side, they provide a larger waste capacity compared to regular toilet trailers. They are ideal event toilets, sitting low to the ground which eliminates the need for steps. Each cubicle comes fully stocked with consumables, has a skylight for natural daytime light and LED lights for nighttime usage (power supply required). Units can be positioned in large numbers or individually, depending on your requirements. They are great for showgrounds, glamping sites, campsites, and long-term usage.

Features

- Caters for up to 800 guests per day
- Contemporary and clean appearance
- No steps
- Efficient crowd control
- Large-capacity waste tanks
- Completely self-contained
- Does not require mains water or power (power only for lights if required)
- Attendant Service (optional extra)
- Option for servicing
- White Exterior

Specification

16 amp power supply (3.5 kVa) (only for night-time lights usage)
