

16 Man Urinal Trailer

This 16-man urinal trailer is perfect for large footfall events such as festivals, sporting events, firework displays and winter festivities. Urinals are the optimal solution for loo hire at big events as they help reduce lengthy queues. These good solid dependable toilets can either be used as a stand-alone self-contained or mains connected unit for longer applications. Where lighting is needed a 16amp power supply is required.

Features

- Self-contained or mains option
- Reduces queues
- Spacious and well ventilated
- No mains water or power required (power only for lights)
- Attendant service (optional extra)
- Option for servicing

Specification

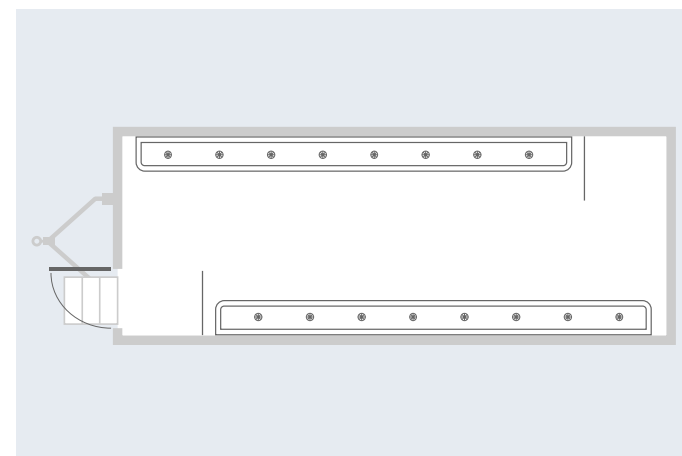

16 amp power supply (3.5 kVa) (only for nighttime lights usage)
